Dear Wade,

Many thanks for your letter of congratulations on my new assignment. I am really grateful for the honor, humble at the immensity of the task, and appreciative of your good wishes.

I, too, think often of those days around "goat court," and the fascinating chain of events that has brought us all where we are today. I'm sure your statement that you find your procurement job "challenging and interesting" is an understatement!

Thanks again and all the best.

Yours,

STANSFIELD TURNER
